

metamedia american book fictions and literary print culture after digitization

metamedia american book fictions and pdf - Garamond is a group of many old-style serif typefaces, named for sixteenth-century Parisian engraver Claude Garamond (generally spelled as Garamont in his lifetime). Garamond-style typefaces are popular and often used, particularly for printing body text and books. Garamond worked as an engraver of punches, the masters used to stamp matrices, the moulds used to cast metal type. Garamond - Wikipedia -
