Thu, 15 Nov 2018 21:34:00 GMT Religion And American Education Rethinking A National ... - This book examines the role of religion in U.S. education. The book argues that public schools and universities must take religion seriously. Written from the perspective of a philosopher and generalist, the volume asserts that people need to have a better understanding of the deep assumptions that shape their thinking about religion and education and which contribute to the "culture wars" of society. Mon, 02 Sep 2002 23:53:00 GMT ERIC - Religion & American Education: Rethinking a ... - Indeed, only if religion is included in the curriculum will students receive a truly liberal education, one that takes seriously a variety of ways of understanding the human experience. Intended for a broad audience, Nord's comprehensive study encompasses American history, constitutional law, educational theory and practice, theology, philosophy, and ethics. Sat,
